3

Get on my e - le - va - tor ba - by were go - ing up!

5

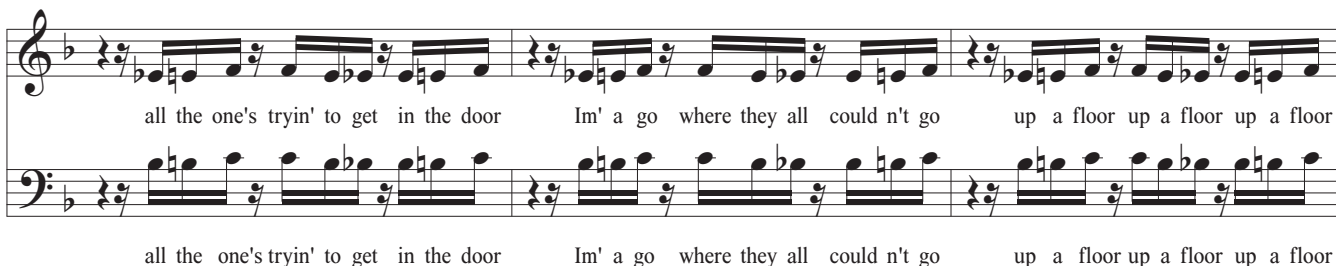

Give me that now and la - ter I can't get e-nough. So much to di - cov - er please

8

don't stop me now. ev - er - y time I touch you you lift right off the ground Let them go

11

all the one's tryin' to get in the door Im' a go where they all could n't go up a floor up a floor up a floor

15

14

I know we can get high - er there's

17

lev - els to your love yeah there's lev - els to your love and I know \_\_\_ we can get high

lev - els to your love yeah there's lev - els to your love and I know \_\_\_ we can get high

20

er \_\_\_ there's lev - els to your lov and I Keep on climb - ing up

er \_\_\_ there's lev - els to your love and I Keep on climb - ing up

23

Bop Bop Bop

bumbum bumbumbum bumbumbum bumbumbum bumbumbum bumbumbum bumbumbum

27

26

just walk-in' up on the ceil - ling dan - cin up - on the wall

walk-in' up on the ceil - ling dan - cin up - on the wall

29

You and that drug you're deal - ing should be a - gainst the law. All this heat keeps ris - ing makes

You and that drug you're deal - ing should be a - gainst the law. All this heat keeps ris - ing makes

32

you stop drop and roll. bot-tle-ing up the light - ning sup - er - nat - ur - al Let them go

you stop drop and roll. bot-tle-ing up the light - ning sup - er - nat - ur - al Let them go

35

all the one's tryin' to get in the door Im' a go where they all could n't go up a floor up a floor up a floor

all the one's tryin' to get in the door Im' a go where they all could n't go up a floor up a floor up a floor

39

I know we can get high - er there's

I know we can get high - er there's

41

lev - els to your love yeah there's lev - els to your love and I know we can get high

lev - els to your love yeah there's lev - els to your love and I know we can get high

44

er there's lev - els to your love and I Keep on climb - ing up

er there's lev - els to your love and I Keep on climb - ing up
